013601 WINMAGplus license - intrusion detection technology

License option for WINMAG/WINMAGplus basic software. Required if intrusion detection systems are connected to WINMAG.

This license may be ordered separately (subsequently) only in conjunction with the auxiliary number 013609. The update number of the basic license must be included when ordering. The license is used for connection of the Honeywell intrusion detection systems MB/HB, 5008.
Please use the attached order form.

013626 WINMAGplus license - fire detection technology

License option for WINMAG/WINMAGplus basic software. Required if fire detection systems are connected to WINMAG.

This license may be ordered separately (as subsequent optional upgrade) only in conjunction with the auxiliary number 013609. The update number of the basic license must be included when ordering. The license is used for connection of the Honeywell IQ8Control, system 8000 1024 and 1016 fire detection systems.
Please use order form printed in the catalog.

013603 WINMAGplus license - access control

License option for WINMAG/WINMAGplus basic software. Required if access control system devices are to be connected to WINMAG (e.g. ACS 2 and ACS 8). MultiAccess and/or IQ MultiAccess software package is also required.

This license may be ordered separately (as a subsequent optional update) only in conjunction with the auxiliary number 013609. The update number of the basic license must be included when ordering. The license is used for the connection of the Honeywell ACS and (IQ) MultiAccess access control systems.

Please use the attached order form.

013604 WINMAGplus license - video technology

License option for WINMAG/WiINMAGplus basic software. Required if video technology equipment is to be operated via WINMAG. The crossbars can execute such commands as pan, zoom, tilt, select monitor etc., depending on the model. The following video crossbars are currently supported: Ernitec M 500 and M 1000; Honeywell MaxPRO 32; Philips LTC 8x00; Fusion series II / III; Geutebrück Vicrosoft; Geutebrück Multiscope; Honeywell Fusion; contact your supplier for additional brands.

This license may be ordered separately (as a subsequent optional update) only in conjunction with the auxiliary number 013609. The update number of the basic license must be included when ordering.

Please use the attached order form.

013605 WINMAGplus license - rescue route technology/escape door control

License option for WINMAG/WINMAGplus basic software. Required if rescue route technology/escape door control equipment (only Honeywell Security) is to be operated via WINMAG.
The status of escape doors is graphically displayed.

This license may be ordered separately (as a subsequent optional update) only in conjunction with the auxiliary number 013609. The update number of the basic license must be included when ordering. The license is used for connecting Honeywell rescue route technology/escape door control equipment.

Please use the attached order form.
