[Technické údaje](#)

Alarm current @ 24 V DC	approx. 230 mA (lamp), approx. 31 mA (sounder) for DIN tone, 14 to 41 mA for all tones
Operating voltage	9 ... 60 V DC
Lighting energy	2,5 J (flashlight)
Frequency of flash	1 Hz
CE certificate	0832-CPD-0570
Color	red, similar to RAL 3001
Weight kg	approx. 0,8 kg
Material	ABS/PC
Range	
Range	10 - 30V DC 230 VAC
Quiescent current	0 mA
Sound level @ 24 V DC	106 ... 111 dB (A), 109 dB (A) for DIN tone
Type of protection	IP66
Ambient temperature	-25 °C ... 75 °C
Dimensions	W: 174 mm H: 165 mm D: 132 mm
