

Cleaning Kit

The Optronics fibre optic cleaning kits combine all the best and most widely used products into one simple to use package.

They contain all the necessary products to competently and professionally clean fibre optic installations. With 3 levels of kits available it's easier to choose which kit is right for the user application.

- ▶ High quality products
- ▶ 3 levels depending on user application
- ▶ Products available individually for kit refill
- ▶ Provided in a soft carry case
