

Patch panel termination aid

for 19" racks / cabinets

Patch panel termination aid for 19" racks / cabinets

Description

Termination aid for Datwyler patch panels

Application

The two angular sheets (brackets) can easily be fixed to the 19" frame or cabinet so that the patch panel is presented at an angle of 45 degrees. The cable termination is much easier and more comfortable with the panel held in this position.

Versions

Material number	Product	Weight [kg]	Packing unit
1401624	Patch panel termination aid (1 set = 2 angular sheets)	0.3 kg	1 set
