Pole mounting brackets

For plastic and metal enclosures

We have developed versatile pole mounting brackets that can be used with several thermoplastic, polyester and sheet steel enclosures.

Pole mounting brackets were designed to securely fasten your Ensto Cubo plastic and metal enclosures to a pole. The pole mounting

brackets are a set of two rails or a plate with a pole clamp and needed screws. The diameter for the pole can vary between 40 mm and 140 mm.

The pole mounting brackets can be used with Ensto Cubo O, C and W thermoplastic enclosures, Ensto Cubo N polyester cabinets and Ensto Cubo F and E sheet steel enclosures. The brackets can also be used with various enclosure models from other manufacturers.

Pole mounting brackets for plastic and metal enclosures

Product code	Description	Dimensions (mm)	Package size (pcs)	EAN 13 code
Sets of two rails				
PMB20	For 200 mm wide enclosure	28 x 35 x 195	1	6438100131739
PMB25	For 250 mm wide enclosure	28 x 35 x 245	1	6438100135430
PMB30	For 300 mm wide enclosure	28 x 35 x 295	1	6438100131753
PMB40	For 400 mm wide enclosure	28 x 35 x 395	1	6438100131760
PMB50	For 500 mm wide enclosure	28 x 35 x 495	1	6438100131777
PMB60	For 600 mm wide enclosure	28 x 35 x 595	1	6438100131784
Sets with a plate				
PMB1515	For 150 mm wide enclosure	41 x 150 x 155	1	6438100131722
PMB2020	For 200 mm wide enclosure	41 x 200 x 205	1	6438100131746
