Universal Stripper

A very versatile stripping tool, used primarily for stripping the jacket from round data cable such as UTP and STP.

The Stripper has an adjustable blade which allows the stripping of cable from 3.2mm to 9mm in diameter. It can also strip outer jackets of small core fibre cable, multi-conductor cable, plus flat or irregular cable. The blade can be used to cut data cable and strip duplex fibre cable.

Features

- ► Small and lightweight
- ► Easy to use
- ► Adjustable blade
- ► Strips jackets between 3.2 and 9mm
- ► Can be used on different cable types
- ► Will strip duplex patch cord cable

Specification

Function: Strips Round Cables between 3.2 and 9mm in Diameter
