NGJKMF68

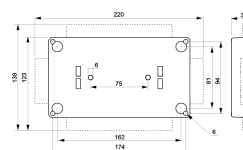

Name: **Enclosure**

Type: NGJKMF68

GTIN: 6418677708978

Package: 25/375

Unit: PCS

Technical specification

Ratings

Rated voltage	250 ... 400 V
Degree of protection	IP20
Flammability rating	UL 94 V-2
Rated current	20 A
ETIM class	EC002567

Temperatures

Max. operating temperature	+70 °C
Min. installation temperature	+5 °C
Min. operating temperature	-30 °C (without mechanical stress)
