

## Splice Tray Kit

V.3.0

### Description

FibreFab offer a splice tray kit that provides protection for up to 24 splices. The kit includes a splice tray, lid and splice holders (either heat shrink or crimp type). The tray ensures the minimum bend radius is protected and has multiple cable entry points.

### Features

- ▶ Up to 12 heat shrink splices
- ▶ Up to 24 crimp style splices
- ▶ Cable tie points to secure fibre on entry and exit
- ▶ Mountable via central DIN style holes
- ▶ Includes tray, lid and splice holders

### Applications

- ▶ Fibre Management
- ▶ Internal and external
- ▶ Wall Boxes
- ▶ Patch Panels
